

STRATEGIC INTENT

By the end of 2022 - Family Solutions has expanded resources enabling growth of quality needs-based programs delivered by a well-trained professional staff focused on positive outcomes.

STRATEGIC DRIVERS

Stabilize and expand funding resources to enable growth

Grow and develop staff aligned with agency needs

Promote strategic program growth supported by clear outcomes

Pursue development and fundraising activities

Develop and standardize onboarding and continuous development

Expand support to foster parents within the TFC system

Align financial resources with evolving needs

Strengthen internal staff connections and opportunities for collaboration

Improve outcome tracking systems for all programs

Increase grant writing efforts

Use regular performance feedback to create a rich learning environment

Use feasibility studies to guide all program decisions

KEY STRATEGIC INITIATIVES

MISSION

Family Solutions provides mental health services creating opportunities for healing with children, adults, and families
